Cell #: 518-848-4858

**Dress or “attire”** as us horse people call it ... is casual ! If you need an excuse to spiffy up with some new fancy duds, go right ahead ! And if you can barely get chores done in time to get there, well dust off the hay seed and come join us as you are!

### **Inclement Weather**

Even in case of inclement weather, we don't plan to cancel this event. However, should the need arise to cancel, we will do our best to get notice out on Facebook and other avenues.

### **Unable to Attend the Awards Banquet??**

We sure hope you can come out for this fun event! If you are not able to attend to pick up your award, we will be giving your award to your NYSSHA club representative unless other arrangements have been made.

### **We Need Your PHOTOS!!!**

NYSSHA would love to include your photos from this past show season during a slide show at the banquet! Please email any digital photos to: [pictures@nyssha.org](mailto:pictures@nyssha.org) as soon as possible. We are looking not only for your “win” photos, but any candid scenes from the horse shows and gymkhanas!

### **Chinese Auction and 50/50 Raffle!!!**

Great awards don't happen without great fundraisers – please help us offset the cost of awards for next year by donating something towards the Chinese Auction. Any items are welcome, they need not be a horsey item (although those are our favorites!). Please bring them with you to the banquet. And don't forget to bring a little extra cash (or the checkbook!) ... we will be selling tickets for the 50/50 raffle and the chinese auction until the end of the awards ceremony
